2020 SPONSORSHIP OPPORTUNITIES

▶ Board Summit

Mission Capital's Board Summit is a fast-paced networking event designed to introduce professionals from across sectors to local nonprofits looking to build more inclusive boards comprised of dynamic community leaders. Given the growth of the nonprofit sector and commitment to building more diverse and inclusive leadership in Austin, the 2020 Board Summit is expected to serve nearly 400 business, government, nonprofit and academic professionals interested in connecting with the executive leadership of 40 to 50 nonprofits looking for new board members.

▶ The Need for Board Members

One of the most pressing issues facing nonprofit boards in Central Texas is the need for passionate, qualified board members. Mission Capital's Board Summit addresses this need by bringing talented community leaders together with nonprofits seeking new board members.

▶ About Mission Capital

Mission Capital equips and connects mission-driven leaders, organizations, and networks working to advance equity and opportunity. Mission Capital helps organizations access the tools and guidance they need to tackle our community's challenges. By building a network of dedicated change-makers, we harness the multi-sector support and innovative solutions needed to create lasting social change in our community.

“*At Mission Capital's core is the ability to bring people together in ways that multiply impact. We value the opportunity to develop collaborative solutions and models to tackle our community's challenges through a multi-sector approach.*”

- John Thornborrow,
Mission Capital Board Member
